Next Up: Learn about the benefits of linking a Wells Fargo account to the ECU 1 Card!
The ECU 1 Card

June 2022
Robyn Hill
No campus is quite like yours. No program is quite like ours.®
Your ECU 1 Card. Made for student life.

Your official student ID for campus access and privileges and optional one-card access when you link your ECU 1 Card\(^1\) to a Wells Fargo checking account.

Enjoy added banking convenience with:

- Checking accounts for students, including an account with exclusive benefits when linked to your ECU 1 Card.

- The Wells Fargo Mobile\(^2\) app for banking on the go, when and how you want.

- ATM access across the U.S., including no-fee cash access at Wells Fargo ATMs.

- Make purchases using your PIN.

Speak to a banker to link your ECU 1 Card\(^3\).

wellsfargo.com/ecu

---

1. The ECU 1 Card is an official school ID and a Wells Fargo Campus Card when linked to a Wells Fargo checking account.
2. Availability may be affected by your mobile carrier’s coverage area. Your mobile carrier’s messaging and data rates may apply.
3. You must be able to present your ECU 1 Card in order for a Wells Fargo branch banker to link your card.
Financial features of the ECU 1 Card

School and banking features are accessed with the same card and act independently of each other.

Bounty Bucks campus account

• Campus currency used to pay for goods and services on and off campus.
• School maintains Bounty Bucks account on student’s behalf.
• Student swipes card for payment and Bounty Bucks balance declines.

Wells Fargo checking account

When students choose to link their ECU 1 Card to a Wells Fargo checking account for banking access, they can:
• Have no-fee access to their cash at Wells Fargo ATMs.
• Make purchases using a PIN.

This is available exclusively from Wells Fargo.

<sup>1</sup> Other fees may apply, and it is possible for the account to have a negative balance. Please see the Wells Fargo Consumer Account Fee and Information Schedule and Deposit Account Agreement for details.

<sup>2</sup> Minimum opening deposit is $25. Monthly service fee for the Everyday Checking account is $10 and can be avoided when the primary account owner is 17 through 24 years old. Monthly service fee for the Clear Access Banking account is $5 and can be avoided when the primary account owner is 13 through 24 years old. When the primary account owner reaches the age of 25, age can no longer be used to avoid the monthly service fee. Everyday Checking customers have other ways to avoid the monthly service fee. Customers between 13 and 16 years old must open the Clear Access Banking account with an adult co-owner. See a Wells Fargo banker or the Consumer Account Fee and Information Schedule available at wellsfargo.com/depositdisclosures for more information about other fees that may apply and options to waive the monthly service fee.

1. Other fees may apply, and it is possible for the account to have a negative balance. Please see the Wells Fargo Consumer Account Fee and Information Schedule and Deposit Account Agreement for details.
2. If you convert from a Wells Fargo account with check writing ability to a Clear Access Banking account, any outstanding check(s) presented on the new Clear Access Banking account on or after the date of conversion will be returned unpaid. The payee may charge additional fees when the check is returned. Make sure that any outstanding checks have been paid and/or you have made different arrangements with the payee(s) for the checks you have written before converting to the Clear Access Banking account.
3. Eligibility is based on university and college participation in the Wells Fargo Campus Card<sup>SM</sup> program. Ask a banker or visit wells Fargo.com/campuscard for additional details.
4. A qualifying direct deposit is an ACH (Automated Clearing House) automatic electronic deposit of your salary, pension, Social Security, or other regular income into your bank account. Confirm with your employer or the agency or company making these payments that they use the ACH network. Transfers from one account to another, mobile deposits, or deposits made at a branch or ATM don’t qualify as a direct deposit.
Added benefits with Everyday Checking and a linked ECU1 Card

- No monthly service fee charged.¹

- No Wells Fargo fees for up to four cash withdrawals per monthly fee period from non-Wells Fargo ATMs in the U.S.² ³

- Receive a courtesy refund on one incoming domestic or international wire transfer fee during each calendar month.²

- Receive a courtesy refund on one overdraft fee incurred during each calendar month.² ⁴

---

¹ You will avoid the Everyday Checking account’s monthly service fee within 45 days of linking your Campus Card to that account. See a Wells Fargo banker or the Consumer Account Fee and Information Schedule for more information about other fees that may apply and options to avoid the Everyday Checking account’s monthly service fee.

² These benefits will take effect within 45 days following the linkage of your Campus Card to an Everyday Checking account. Your Everyday Checking account must be linked to an open, active Wells Fargo Campus Card to remain eligible and receive these benefits. Your benefits will end 90 days after your Everyday Checking account is no longer linked to an active Campus Card. In that event, the Bank’s standard terms and fees apply. Ask a banker or visit wells Fargo.com/ECU for additional details or questions.

³ Non-Wells Fargo ATM owner/operator fees may apply.

⁴ Our overdraft fee for Consumer checking accounts is $35 per item (whether the overdraft is by check, ATM withdrawal, debit card transaction, or other electronic means). We charge no more than three overdraft fees per business day. Overdraft fees are not applicable to Clear Access Banking℠ accounts. The payment of transactions into overdraft is discretionary and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is overdrawn or you have insufficient funds. You must promptly bring your account to a positive balance.
Enjoy a $100 bonus* for new student checking customers through September 30, 2022

Open a new checking account in a branch after you generate a bonus offer code at wellsford.com/studentoffer.

You must provide your bonus offer code to a banker at the time of account opening.

*How to receive your bonus:
1. You must present your bonus offer code at account opening when you apply for a new eligible Wells Fargo checking account in a Wells Fargo branch with a minimum opening deposit of $25 by September 30, 2022. You must have a U.S. tax ID number, such as a Social Security Number, in order to qualify for this offer. All account applications are subject to approval.
   
   AND

2. Within 90 calendar days of account opening (the “qualification period”), you must complete the required transactions, which can be found at wellsford.com/studentoffer.

After the qualification period, we will deposit the bonus into your new checking account within the following 30 calendar days if you have met all offer requirements.

Go to wellsford.com/studentoffer or scan the QR code to get started.
